

This mission of Delve Christian Ministries Inc. is to:

Spread the Gospel of Jesus Christ to a modern audience by using the Internet as a tool and a platform.

We will accomplish this mission by:

- Creating and operating web sites where accurate, detailed, relevant information and resources about all aspects of Christianity are available to everyone at no cost.
 - Looking for opportunities to provide information and resources in new ways which will have the maximum appeal for people of different ages, cultures and backgrounds.
 - Providing timely content which responds to the latest arguments and theories by any who seek to discredit the Christian faith in the media.
 - Creating partnerships, alliances and relationships with renowned Christian researchers, thinkers and writers in order to provide the highest quality content.
 - Creating partnerships, alliances and relationships with renowned web designers and media and content providers so that our websites are effective, engaging, exciting and entertaining as appropriate for the intended audience.
 - Investigating and integrating new and emerging Internet technologies and trends to ensure our websites are modern, user-friendly, effective and efficient.
 - Engaging in search-engine optimization to ensure our websites are highly ranked and easily located on Internet search engines.
 - Protecting the integrity of all of our websites and the information they contain to ensure the contents are not damaged, destroyed, lost, compromised or vandalized.
- Authoring regular, original content online such as articles, newsletters, journals and weblogs which encourage people to become interested in the Gospel, to visit our websites or to learn more about our ministry.
- Making information and resources available by email to people who have requested it.
- Creating partnership, alliances and relationships with like-minded, evangelical Christian organizations for the purposes of sharing resources, cross promoting and raising awareness of Internet evangelism and the Gospel.
- Advertising online and through traditional methods in order to promote interest in the Gospel, our ministry and our websites.
- Raising funds and accepting donations in an effort to cover all operating costs.
- Supporting other Christian organizations through donations of funds or resources as approved by the board of directors.
